How about 8:15 to 9:00 starting on April 1? If that works, I'll send Teams invite

Sure, good idea. How much time do you suppose we should reserve? 45 minutes maybe, just in case 30 isn't enough?
How about 8:15 am on Tuesdays or Thursdays?

Hi Madi,

Dave and I would like to request that EPA and DEQ hold regular bi-weekly or monthly check-ins on the status of in-water work for the RP and Arkema sites.

What do you think? If this would work for you, please let me know a couple of options where you are open and I'll see if they work for Dave and me.

Thanks,
